01 | CORE STRATEGIC PILLARS

1

CONTENT STRATEGY

- Commission high-demand local drama & reality shows
- Acquire trending international content at competitive rates
- Create exclusive web series for digital-first audiences
- Schedule blockbuster movies on prime slots (Fri-Sun)

2

AUDIENCE TARGETING

- Segment audiences by age: Gen Z, Millennials, 35-54, 55+
- Use dataset demographics (race, province, gender) for targeting
- Create personalised content recommendations per segment
- Develop youth-focused programming for 18-34 bracket

3

DIGITAL & SOCIAL MEDIA

- Launch BrightTV app for mobile/tablet streaming
- Stream live shows on YouTube, Facebook & TikTok
- Create viral short-form clips from popular programmes
- Engage influencers to promote shows pre-broadcast

4

ADVERTISING & REVENUE

- Increase ad slots during high-rating time bands
- Introduce sponsored content & branded entertainment
- Offer premium packages to advertisers during top shows
- Launch BrightTV Plus subscription tier (ad-free)

5

PARTNERSHIPS & DISTRIBUTION

- Partner with DStv / OpenView for wider reach
- Negotiate carriage deals with provincial cable networks
- Collaborate with schools & universities for youth content
- Partner with telecoms for data-free streaming bundles

6

DATA & ANALYTICS

- Track daily viewership ratings by show & time slot
- Build live dashboard on Databricks for real-time insights
- A/B test show scheduling to optimise audiences
- Monitor social media sentiment per programme

02 | 12-MONTH IMPLEMENTATION ROADMAP

Month 1-2

DIAGNOSE

Analyse current viewership data, identify weak slots, audience profiling

Month 3-4

PLAN

Set KPIs, design content calendar, build partnerships, plan campaigns

Month 5-8

EXECUTE

Launch campaigns, new content, social media push, targeted marketing

Month 9-10

MEASURE

Track ratings, revenue, engagement metrics vs targets

Month 11-12

OPTIMISE

Refine strategy based on data, double down on what works

STRATEGIC BRIEF 2024/25

Viewership Growth & Revenue Increase Strategy

Prepared by: Data Analytics | FY 2024-2025

03 | DATA-DRIVEN INSIGHTS FROM YOUR DATASET

TOP VIEWERSHIP WINDOW

Q1 2016 data shows peak watching Jan–March. Plan major show launches at season start.

GEOGRAPHIC HOT SPOTS

Gauteng, KZN & Western Cape dominate viewer base. Prioritise ad spend & events in these provinces.

GENDER SPLIT OPPORTUNITY

Dataset shows male-skewed viewership. Female-targeted content can unlock a large untapped audience.

CHANNEL PERFORMANCE

ICC Cricket & Trace TV lead in viewing sessions. Build more live sports & music programming.

04 | REVENUE GROWTH LEVERS

REVENUE STREAM	ACTION / DETAIL	PRIORITY
